

## Griglia a pioli in acciaio zincato Wavedrain 110 A15

Codice prodotto:  
**GRPWD110Z**

### Dimensioni e specifiche tecniche

|                                      |                            |
|--------------------------------------|----------------------------|
| Lunghezza / Larghezza esterna (mm)   | 998 / 115                  |
| Altezza (mm)                         | 20                         |
| Larghezza interna (mm)               | 90                         |
| Materiale                            | Acciaio zincato            |
| Peso (Kg)                            | 1,2                        |
| Dimensioni fessure (mm)              | 80X8,5                     |
| Area di drenaggio (cm <sup>2</sup> ) | 244                        |
| Sistema di fissaggio                 | N. 2 barrette di fissaggio |
| Classe di carico (EN1433)            | A15                        |

N.B. Dimensioni e pesi sono soggetti alle normali tolleranze di fabbricazione
