Technodrain

TECHNOLOGIES FOR LINEAR DRAINAGE

neo neomax evo evomax exel promax magnum  Wave 110

Technodrain Neo system is composed by:

- HDPE channel body with flat edges.
- Grating with edges that cover the entire channel area.
- For use in pedestrian areas, parks and gardens, cycle paths and residential parking areas.
- Ideal for urban decoration and architectural solutions.

Technodrain Neomax system is composed by:

- Channel body in PE-HD with a galvanized steel edges, 2 mm thickness.
- Height of edges 7 mm
- Ductile iron edges loading class B125/C250
- Ideal for multi-story parking lots and residential garages

Technodrain Evo is composed by:

- HDPE channel body with integrated edges
- 3 mm thickness
- Edges depth 25 mm.
- Available in a wide range of gratings up to C250
- Ideal for DIY, parking lots, sports installations

DELIVERY TERMS

ALL PRICES ARE: EX-WORKS 63851 ORTEZZANO ITALY

GENERAL TERMS OF SALES

Preamble

It is understood that the following general sales conditions are accepted by the client on placing the order. The order must be "approved by the supplier".

Delivery terms

They are non-binding and no refund is due for delayed shipment.

Shipment

Goods always travel for the account, risk and danger of the buyer even if sold free of charge. Material delivered by the seller's carrier must be checked at the time of receipt and notice of this must be recorded on the shipping document.

Claims

The supplier does not assume any responsibility regarding the use of sold goods.

Claims regarding the quality of goods must be submitted within 8 days from the date of receipt of the goods by registered post. In any case we reserve the right to replace only the good that we (the supplier) acknowledge as faulty. No refund will be made for transport, installations, damages and injuries against third parties.

Payments

They must be made at our headquarters. After the payment term indicated on the invoice has expired, interest will be charged.

Property of the goods

It is transferred to the customer only with payment of the corresponding invoice.

Jurisdiction

Any dispute may be submitted to The Court of Tribunal in Fermo, Italy
